Presents:

# The 22nd Annual All-City Orff Concert

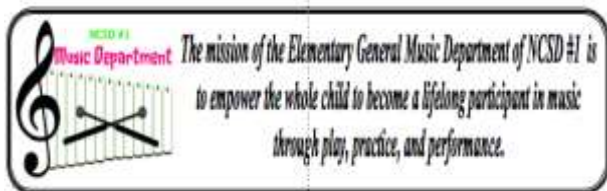

November 16th, 2011

Dear 5th Grade Parents and Guardians,

The general music teachers of NCSD #1 are excited to announce this year's All-City Orff concert - Wednesday, November 16th at 5:30 pm! This is an opportunity for your 5th grade general music student to join with other Casper kids and do a public music performance. Your child is already working hard in music class to learn vocal, instrumental, and movement parts for this fantastic event. On Wednesday, November 16th, the students will be excused from school after lunch and bussed to the Kelly Walsh High School auditorium where they will meet over 120 other 5th graders. Led by music teachers, they will rehearse from 1:00 to 4:30 pm. We will invite parents and families to the concert that evening at 5:30 pm. Students are to leave with their parents after the concert. Admission is only \$1 and will help cover the fees involved in making this huge event happen.

This is an opportunity not to be missed! Watch for a more detailed letter in the future. If you have any questions or concerns, please contact Mrs. Nix at [Trisha\\_Nix@natronaschools.org](mailto:Trisha_Nix@natronaschools.org) or 253-3900 or 253-6400. We hope that all 5th grade General Music students are able to participate in this event!

Sincerely,  
Trisha Nix
